About Autobio

Autobio Diagnostics Co., Ltd (Hereinafter called Autobio) was founded in 1998, headquartered in National Eco & Tech Zone, Zhengzhou.

Autobio specialized in R & D, production, marketing and service of clinical diagnostic products, especially covering immunoassay, microbiology and biochemistry fields. Meanwhile, Autobio is also actively planning the developments in the field of molecular diagnostics and provides a comprehensive solution for medical laboratories. Autobio was listed on Shanghai Stock Exchange on September 1st, 2016, which is the first IVD manufacturer listed on the main board in Shanghai, China.

Autobio has become one of the leading companies with the most number of registered products and the most comprehensive product catalogue, currently having 529 products registration certificates, 322 CE certifications and 528 patents.

Autobio has passed the ISO9001 and ISO13485 certification, and strict quality management leads to continuously quality improvement.

Autobio's marketing network covers the whole country, and our products have entered more than ten thousands medical institutions. In overseas markets, Autobio's products has performed enormous potential, exporting to over 80 countries such as Europe, Asia, Middle East, South America, Africa, etc.
